

1230 TWC News

Isn't she lovely.....

Isn't she wonderful, Isn't she precious
Well you didn't really think we could not comment on the recent addition to the Royal Family? And whilst Stevie Wonder's lyrics celebrate the birth of his daughter, Aisha, it seemed an apt song to us for our newly married Duchess of Cambridge.

Something new like a baby, a marriage or a business is always exciting and a little bit scary, but they also have something else in common, and that is that they all take effort and hard work! That's why we feel it is important to emphasise that networking for our businesses takes effort and hard work too. 1230 TWC continues to ensure that it helps your business growth through helping you to networking *effectively*.

Jackie is delighted to be attending the 1230 TWC **Bristol** meeting on **Tuesday 10 May** to share 10+ years of professional networking tips with "Why do I..... **Need to Network?**"

Bookings are proving popular so don't miss this great opportunity to meet 1230 TWC's networking Diva, and get some valuable tips. Jackie will then be travelling onto Somerset to visit a new 1230 TWC venue—so watch this space!
