The Women's Company

1230 Eves

If you would and you'd like exclusivity for your business (individual) which has been trading for 3+ years, then these are the meetings for you.

Membership of the monthly **1230 Eves** meetings secure exclusivity for a business (individual) trading for 3+ years, with a designated group. Each meeting will hold a maximum of 15 attendees to guarantee valuable outcomes.

Each meeting lasts 2.5 hours and consists of 2 parts

Part One

- Starts at 6.30 pm and lasts no longer than 1 hr
- Everyone will have the opportunity to present themselves and their businesses in a 1 minute talk
- This part of the meeting consists of a confidential around-the-table discussion. Each group has its own lead expert and we will listen to *you* to find out *your* issues for future meetings – so please tell us!

Part Two

- We then share an evening meal which enables the discussions to continue to flow over dinner.
- The meeting finishes formally at 9.00 pm but we anticipate that some will wish to stay longer.

We're delighted for you to "try us out" and you can attend one meeting as a non-member.
